My Friends,

If you were to open a new restaurant, this would not have been the year to do it.

A year ago, when we transformed the old Brooklawn Diner into the new Empire Diner, you received us with warmth and enthusiasm. We were thrilled and touched by the turnout for the Grand Opening. Thank you for making that a great day.

No one saw COVID-19 with its shutdowns, closings with regulations that changed continually. Our business was hurt, our staff suffered, as did many of you with layoffs, cutbacks and furloughs. Our home lives changed as employees were sent home to work. Some had to do their jobs while homeschooling their kids. Many of us lost loved ones - family, friends, and neighbors.

But we suffered together, and we all grew stronger. At Empire, we adapted to the pandemic. We added home delivery. We created a beautiful outdoor seating area. We modified our indoors seating to ensure safe social distancing.

The things that never changed were our passion for serving delicious high-quality food, delivering great customer value, excellent service, and giving back to the community that gives so much to us.

We thank you for supporting the Empire Diner through these tough times and we look forward to better days ahead.

We want to thank you by serving a Free Turkey Dinner to everyone on Thanksgiving Day (2p-5p).

We look forward to seeing our old friends for years to come and to making new friends every day.

With Love,

*D and the Staff at the Empire Diner*
