Jammer's key to customer satisfaction is simple: communication, teamwork and on-site supervision of projects from beginning to end

"Wonderful experience from start to finish - I was able to get an estimate next day and installation appointment within the same week. Very good communication, top notch service, and a competitive rate. Really happy with the product and service - especially Patrick and Alex who did a wonderful job."

"Jammer Doors staff is courteous, professional and are knowledgeable about the service and repairs for their customers. We scheduled an appointment that was a time we would be available. Our technician, Mike was on time and thorough repairing and servicing our garage door. Excellent company."
